## Goals

- ⇒ To seek improvement in the quality of care in our community through collaboration in quality efforts
- ⇒ To encourage professional growth and development of our members through the provision of educational opportunities
- ⇒ To promote and support the development of quality services in our community by serving as a community quality resource pool
- ⇒ To actively promote close cooperation and problem-solving among Quality Management professions and other health care professionals

## Benefits

- √ Leadership Opportunities
- √ Networking Opportunities
- √ Affiliation with TAHQ and NAHQ
- √ Educational Conferences
- √ And others forthcoming with ongoing formation of the ETAHQ
