

"TAHQ will be recognized as the leading resource for quality professionals and the essential connection for leadership excellence and innovation in health care quality in Texas"

Throughout the Year 2010

Dear Sir or Madam,

On behalf of the Texas Association for Healthcare Quality (TAHQ), I would like to invite you to become a partner with our growing organization. TAHQ promotes excellence and professionalism in healthcare through advancement of theory, policy and practice of quality. We are dedicated to enriching and enhancing the education of Texas Healthcare Quality Professionals.

The TAHQ Board of Directors has a vision of excellence for the organization, but realizes that the lack of funds, limits programs and services to their members. Therefore TAHQ actively seeks donors from among members, businesses, corporations and foundations. Funds donated enhance innovative programs that benefit healthcare professionals and support educational initiatives and growth.

You can make a difference today by becoming a donor.

- **General Gifts** - Un-restricted donations that are placed in the General Fund.
- **Restricted Gifts**- Donations may be restricted for one of the educational programs.
- **Matched Giving** - Donors can often double or triple a contribution with an employer-matching gift. Donors should check with their employer and ask for the company's matched gift form and send the completed form with the contribution to the TAHQ office.
- **In-kind Gifts** - Donations of in-kind services may also be given. Donors may check with the TAHQ office regarding acceptance of services.

As a non-profit organization, TAHQ accepts donations from individuals, corporations, and foundations to fund its programs and activities. Donations may be given in honor or memory of someone. TAHQ is recognized as a charitable organization under section 501 (c)(3) of the Internal Revenue Code allowing for tax-deductible monetary or in-kind gifts from contributors. TAHQ, with the support of its donors, can be the leading force in the advancement of healthcare quality in Texas

Sponsorships are offered at various levels with corresponding benefits. Like Olympic athletes, who are awarded gold, silver and bronze medals for achievement and special ribbons for participation; it is in this same spirit, we want to offer our sponsors these prestigious levels too. We also have opportunities for creating "presenting" and "platinum" sponsorship levels.

TAHQ is pleased to provide annual sponsorship opportunities to our corporate partners. These sponsorships cover a 12 month period; therefore a sponsor is provided benefit for all three state-level educational events at any entry point during a given year.

There are several annual sponsorship levels at TAHQ to choose from today.

- **State Gold Medal Sponsor- \$2,500**

- Full page ad in the TAHQ Newsletter, four issues per year
- Recognition at all three state-level events
- Free Annual Conference registration for 2 employees
- A free vendor table at our Annual Conference and Membership Meeting in Dallas
- **State Silver Medal Sponsor- \$1000**
 - Recognition at all three state-level events
 - Half page ad in the TAHQ Newsletter, four issues per year
 - Free Annual Conference registration for 1 employee
 - A 25% discount on a vendor table at our Annual Conference and Membership Meeting in Dallas
- **State Bronze Medal Sponsor- \$500**
 - Quarter page ad in the TAHQ Newsletter, four issues per year
 - Recognition at all three state-level events

TAHQ is involved in educational events throughout the year. Our organization has three state-wide educational events annually as well as numerous local events through our local associations. It is our desire to invite and engage as many professionals into this special group called TAHQ. You can be a part of this exciting world, too, through participation in one of our many events...as an event sponsor. And not only do you participate in the excitement of the moment, TAHQ provides benefits to you for your efforts and support. This is a great way to expose your name and your relationship with the members of TAHQ.

A number of prestigious companies have partnered with TAHQ for several years to meet their objectives of service to their community through volunteer involvement, social and financial responsibility. Similarly, organizations involved in the TAHQ sponsorship program will not only support us financially, but provide the ever important volunteer support required to continue the success of the Texas Association for Healthcare Quality.

Our sponsors are appreciated and we want each one individually to realize this. We want others to know of your involvement. We want our members and partners to show their appreciation as well by supporting our sponsors in product use or purchases.

If you are interested in receiving more information about becoming a donor or a sponsor, please complete and submit the [Donor Interest Form](#) today!

If you should need to contact us, please call [Samara Sanchez](#), TAHQ Executive Administrator at toll free (877) 756-4400 or email at info@txquality.org

I look forward to seeing you at an upcoming TAHQ meeting or TAHQ sponsored event. Equally, I look forward to your involvement in making TAHQ a leader in healthcare quality in Texas.

Sincerely,

Deborah Flores
