Objective

Participants will be able to describe the strategic initiatives of the AHRQ and its impact on their organizations.

About the Presenter

Dr Flores has been the Vice President of 3 healthcare systems over the last 16 years, and serves as the current TAHQ President.

She has published in the American Journal of School Health, Nursing Management, Nursing Homes, the Journal of Health Care, the Journal for Healthcare Quality, and has been an editor for the Journal for Healthcare Quality for 10 years.

Deborah has lectured on diverse topics from Care of CVA Patients, Health Promotion, Human Resources, and the Balanced Scorecard, to How to Publish, and numerous quality, patient safety and management topics. She presented at the University of Chicago's annual conference on multi-disciplinary care. She has been a presenter at the National Association for Health Care Quality Annual Symposium.

Dr Flores was an advisory member on the Food and Drug Administration, Cardiovascular and Renal Drugs Division.

She is the current Assistant VP of Quality at Driscoll Children's Hospital as well as an adjunct faculty member for Texas A & M College of Nursing and Health Sciences where she teaches quality management, outcomes and statistics.
