## **Annual Conference and Membership Meeting October 20<sup>th</sup> and 21<sup>st</sup> 2011 Houston, Texas**

April 3, 2011

The Texas Association for Healthcare Quality's Annual Conference is scheduled for October 20<sup>th</sup> and 21<sup>st</sup> in Houston Texas. Please join us as we explore current Healthcare Quality Topics in Regulation, Collaboration, and Innovation.

TAHQ's Annual Conference draws approximately 150 Quality Professionals throughout Texas and across the continuum of care. Our attendees include Administration, Health Information Management, Performance Improvement, Quality Management, Coding, Risk Management, Compliance, Utilization Management, Infection Control, Healthcare Consulting, and Education.

Some of the topics discussed this year will be preventing central line infection, antibiotic stewardship, managing the stroke patient across the continuum of care, and collaboration. We have created many opportunities for vendors and participants to interact throughout the two day conference.

TAHQ has a wonderful sponsorship program that allows you to partner with us and be recognized throughout the year at all state-wide events and in our newsletter. TAHQ also has many flexible opportunities for you to interact with our members by hosting a vendor table or sponsoring a break during the Annual Conference. **The cost of a vendor table is \$500 and includes meals and entrance to the two day educational program for two representatives.** Please review the attached Sponsorship Application Form for more sponsorship details.

Please direct any questions to [info@txquality.org](mailto:info@txquality.org). All completed Sponsorship Applications can be submitted to:

Samara Sanchez  
TAHQ Executive Administrator
